This is a story about athiests who find God, but are stuck in
a time loop until they defeat the evil Bill Wolfenheimer

INT. JIM'S ROOM - DAY

JIM

Hi I am Jim and I am proudly an
athiest.

JIM

Thats someone who does not believe
in God.

JIM

I like this place, its cozy and I
like to code on my laptop.

ANNIE

(annie peeks into the room)
Jim clean your room.

JIM

Shut up Mom, I don't wanna.

ANNIE

Ugh.

ANNIE

When will you just clean your room
for once huh?

JIM

Probably never Mom.

ANNIE

You are grounded.

JIM

Get out!

ANNIE

No!

ANNIE

I am taking your computer.

JIM

(crying)
No!

ANNIE

You are not getting out of this room
for a week.

JIM

Oh really?

ANNIE

Really.

EXT. OUTSIDE HOUSE - DAY

JIM

I am out of the house disobeying my mom (laughs).

STEVE

Hey Jim how's it going?

JIM

Not well, my Mom grounded me.

STEVE

Oh what did you do?

JIM

She wanted me to clean my room but I didn't.

STEVE

Yeah she's kind of extreme when she asks you to do something and you don't do it.

JIM

I agree.

JIM

(walks to the Gym)

INT. GYM - DAY

JIM

Well, I need to get more fit.

SKY

Who's that guy?

JIM

My name is Jim.

SKY

My name is Sky, my number is: (813) 555-9586.

JIM

Cool mine is: (813) 555-1992.

SKY

Hey the last four digits are the year I was born.

JIM
What gym equipment are you going to
use today?

SKY
Treadmill.

JIM
Cool me too.

INT. HOTEL - DAY

JIM
I needed to get away from my Mom.

SKY
Me too.

SKY
Are you an athiest too?

JIM
Yep, isn't that cool.

SKY
Yep.

SKY
Lets go to the pool.

JIM
I wonder if there are camera's
spying on us in the bathroom?

SKY
There probably is, those sickos.

JIM
I agree that is sick.

JIM
So lets go to the pool.

SKY
Ok.

JIM
(leaves the room off screen, and returns a
moment later)
Wait, the pool is out of service.

SKY
No way.

SKY

(leaves the room off screen, and returns a moment later)

You are right, and that is stupid.

INT. CHURCH - NIGHT

PASTOR

I am getting ready for my sermon tomorrow.

GOD

Don't I need you to do something else.

PASTOR

What is that?

GOD

Bill is creating baby robots that will rule the world and they will attack at nineteen hundred hours tomorrow.

PASTOR

Oh no that's horrible, what can I do?

GOD

Pray so I will do something about it.

PASTOR

LORD please don't let Bill's baby robots destroy the world In Jesus's name amen.

GOD

I will do it, however I will loop tomorrow because I have chosen 2 atheists to save the world because why not.

PASTOR

That sounds like a dumb idea?

GOD

I want to show people that you don't have to be the greatest and the strongest to make an impact (you just need to be chosen by God).

PASTOR

You are right, not My will, but Yours be done.

PASTOR

One more thing, whos going in that loop.

GOD

The two atheists named Jim and Sky, Me, You, Steve, The Cop that pulls you over for a ticket because you sometimes speed.

PASTOR

What, you said Me, Steve and the cop, why are we involved?

GOD

Well they need someone to preach the gospel and the cop will arrest them for stealing (they love stealing things, not all athiests do that just so we are clear) anyone who is not in the loop will forget, oh yeah Steve is the storage priest (he will sell the athiests a divine flash drive for \$42 dollars)

PASTOR

What makes the flash drive divine?

GOD

The data presists between loops even if destroyed (the files are stored in my cloud).

PASTOR

You mean you have a server in heaven?

GOD

Who said a cloud can't have an IP address.

PASTOR

I thought clouds were just something that had to do with rain?

GOD

I make the rules not you, so if I want a cloud to have an IP address, I will make the cloud a server and assign it an IP address.

PASTOR

Ok when is the timeloop range

GOD

Tommmorow from zero six hundered
hours to twenty hundred hours
(because that is when everything
gets destroyed).

INT. HOTEL - DAWN

SKY

Hi its a nice day

JIM

Yeah I agree

NEWSHOST

We are sorry to inform you but Bill
Wolfenheimer wants to create baby
robots to destroy the world!

SKY

Oh no, thats bad.

STEVE

Jim and Sky, you need to leave
before zero six hundered hours, Bill
Wolfenheimer is hunting you guys
down.

JIM

What?

SKY

We are going to die.

STEVE

If you come with me you wont.

JIM

Whatever you say Steve.

SKY

I trust you Steve.

INT. STEVES GARAGE - DAWN

JIM

What do we do now?

SKY

What do we do now?

STEVE

Lets just hang out until zero six
hundred hours in here, we got Mario
Kart.

STEVE
(loads mario kart into the wii and hands out
controllers)

JIM
Why is there no sound?

STEVE
Cause some dufas busted a RCA cable
off in the audio jack of the TV.

SKY
No RF?

STEVE
All my RF Modulators are broken and
I don't have a VCR.

JIM
Fine.

SKY
At least we are having fun?

JIM
What time is it?

SKY
Its six.

JIM
Ok its six, can we leave yet?

STEVE
Yes.

EXT. WALKING TO SKYS HOUSE - DAY
SKY
Its a nice day today.

JIM
Yep you know what, do you have a
camera?

SKY
Yes I do have a camera, it is in my
bedroom.

JIM
Cool I Just wanted to vlog with my
new friend and I can't use my camera
because my mom took it away when she
took away my computer yesterday for
not cleaning my room.

SKY
Oh that's messed up.

RAND
Hi Sky are you going to visit me
latter today for that cookout.

INT. SKYS ROOM - DAY

SKY
Well we're here at my house.

JIM
Cool you have a GoPro Hero 3.

SKY
Yep and other than my phone that's
my only camera.

JIM
Woah you have a laptop with Linux on
it, Sky I really like you (you are
against the spying of Windows).

SKY
I really like you too Jim and yes
that is really messed up of
Microsoft.

JIM
I still use dotnet on linux.

Sky turns on the TV

SKY (On The TV)
We are Centile Corporation and we do data recovery and fix
your ovaries call us today at +1 800 555 3650 (Not
responsable for ovarian cancer)

Jim turns off the TV

JIM
Wait you had a Centile Corporation
commercial (that's one of Bill
Wolfenheimers companies)?

SKY
Yes I had a commercial with Centile
Corporation and No I didn't know
Bill Wolfenheimer had his hand in
it.

Jim turns on GoPro.

SKY
OK the camera is on so what do you
want to record?

JIM
A Joke?

Jim starts recording.

SKY
What does IDK mean?

JIM
I Don't Know.

SKY
Ok I will some one else then.

Jim laughs.

EXT. STORE - DAY

SKY
Well we are having fun aren't we?

JIM
Yes we are.

SKY
Look out!

Someone knocks Jim and Sky out.

INT. STEVES GARAGE - DAWN

SKY
Wait why are we here?

STEVE
You can go.

EXT. WALKING TO SKYS HOUSE - DAY

SKY
Wow that was weird Jim.

RAND
Hi Sky are you going to visit me
latter today for that cookout?

SKY
You said that yesterday.

RAND
No I didn't.

JIM
I remember him saying that
yesterday.

INT. SKYS ROOM - DAY

SKY
Whats on TV Today?

JIM
Probably something different.

Jim turns on TV

SKY (On The TV)
We are Centile Corporation and we do data recovery and fix
your ovaries call us today at +1 800 555 3650 (Not
responsable for ovarian cancer)

Sky turns off TV

SKY
Now that's weird, the same
commercial.

INT. STEVES GARAGE - DAY

SKY
What's happening, first off Rand
asked me for whether I will go to
his cookout, He said that yesterday
and now he said it today even though
he said that he never asked it
yesterday and second the same
commercial came on both yesterday
and today at the same time?

STEVE
Now that sounds like a time loop.

SKY
What?

STEVE
Like groundhog day and yes I know
why it is happening.

SKY
Can you tell me why?

STEVE

Yes, the world will end due to the evil tech guy Bill Wolfenheimer causing destruction with baby robots and God is looping Me, You, Jim, and The Pastor.

SKY

Okay thats weird.

JIM

Anything else?

STEVE

Do either of you have \$42 dollars? I will sell you a special flash drive that will allow you to store files across loops.

SKY

No!

JIM

No!

EXT. WALKING TO STORE - DAY

SKY

We must not let that person at the store not knock us out again.

JIM

Yeah I agree.

SKY

You know what, hince we don't have \$42 dollars lets steal some from the cash register.

JIM

Lets go!

INT. STORE - DAY

SKY

Everybody put your hands up!

JIM

Everybody put your hands up!

Sky steals \$42 out of the cash register.

The people in the store cry and comply except for Rand

RAND

I am going to call 911

SKY

No I'm sorry please don't let me go
to jail!

JIM

No I'm sorry please don't let me go
to jail!

Rand dials 911

The Cop enters the building

COP

You are under arrest Sky and Jim,
put your hands up!

Sky and Jim both comply.

The cop arrests them both and puts them in the car.

INT. IN COP CAR - DAY

COP

Why did you have to do that?

SKY

I thought we could get away with
that, it was only \$42 dollars.

COP

Taking \$42 dollars or even just a
cent is still stealing.

COP

I will be taking you for three days

SKY

Haha we are in a loop.

COP

Not so fast, I got the bigger laugh
I am in the loop as well.

JIM

He got you good.

COP

You are arrested as well for
agreeing with her.

JIM

No I wasn't agreeing.

COP
Yes you were, God told me.

JIM
There is no God.

SKY
There is no God.

COP
Athiests, ugh.

INT. POLICE STATION - DAY

Cop screens them for drugs or other contraband like a phone or something like that.

COP
I am scanning you for contraband such as meth, pinephones or Nintendo Wii's (yes some bloke snuck one of those in here).

JIM
Really.

COP
Yep.

SKY
I guess he liked to go bowling.

COP
Yes he was really good at it.

SKY
So where am I going to go.

COP
In the same cell as Jim because we don't have any other location or cell.

SKY
Oh man, we are opposite sex.

COP
Too bad, you both need detention.

COP
Well I can give you radios for you to listen to, but they only play christian music.

Fine. JIM

Fine. SKY
